

Notice to Mariners No.05 of 2024

Duncannon, Chart No. 2046

To all fishing vessels, pleasure craft users, seafarers and fishery organisations.

Uncharted obstruction possibly a Rock

Attention is drawn to an uncharted obstruction along the main pier in Duncannon. The obstruction is thought to be a rock based on recent survey works which Wexford County Council have had carried out. The WGS84 coordinates of the obstruction are as follows. 52°13.32067'N, 6°56.24628'W

Wexford County Council are carrying out further investigations and in the meantime all harbour users are requested to exercise caution when moving or mooring in and around the main pier.
