

Notice to Mariners No. 12 of 2025 (Updated)

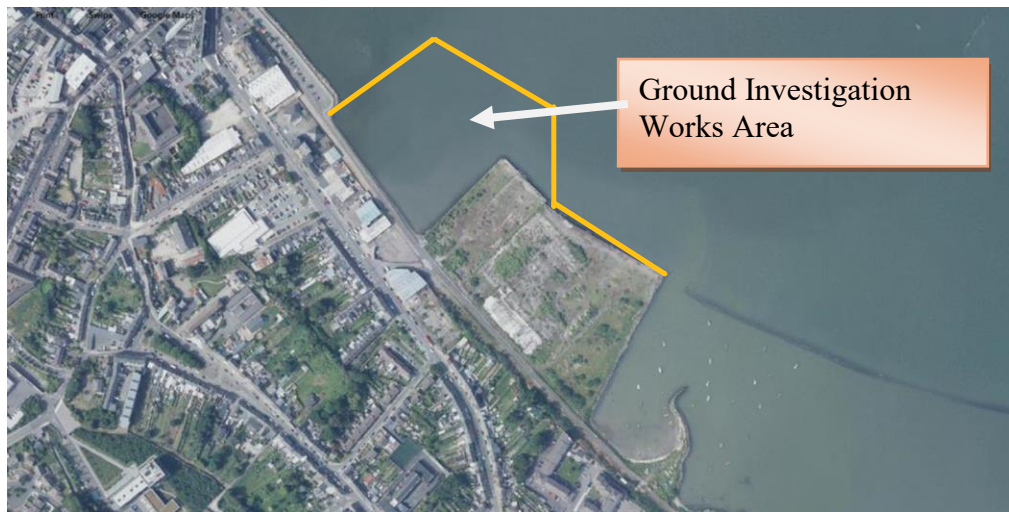

Wexford Harbour, Chart No. 5621.15, 1772 & 2046

To all skippers, fishing vessels, pleasure craft users, and members of the public.

Ground Investigation Works by Jack Up Barge at Trinity Wharf Site

The Jack Up Barge OCM 50 will be carrying out ground investigation works in the vicinity of the Trinity Wharf site. The barge will be supported by the Workboat OCM Stubby and Crew Transfer boat OCM Supporter for the duration of these works. The barge and support vessels will be contactable on VHF channel 14.

It is expected that the barge will be on location between early October (6th) up until mid-November.

All harbour users are requested to keep clear of barge operations throughout.
